

## Features

We are focussed on a limited but core set of features that are absolutely essential for a strong student engagement both off and on the campus.

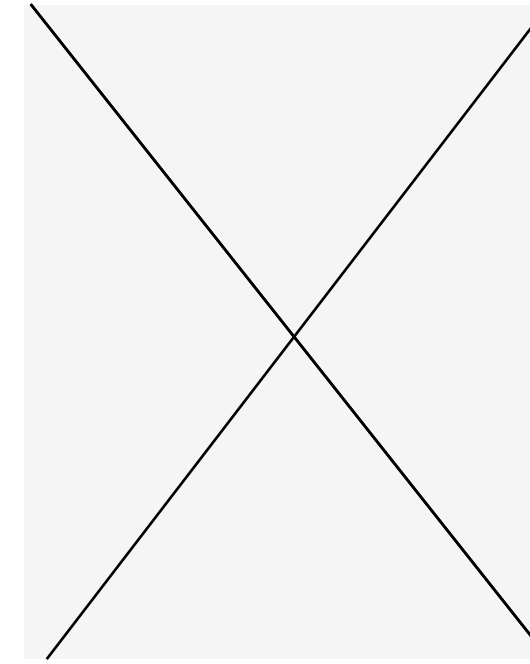

### Seamless

We are innovating the way world communicates, continuously raising the bar through enhanced speed, ease and simplicity of our Cloud solutions. Over the years, we have developed and delivered cutting-edge technology and products which meet the discerning needs of a diverse clientele, from enterprises to carriers across geographies.

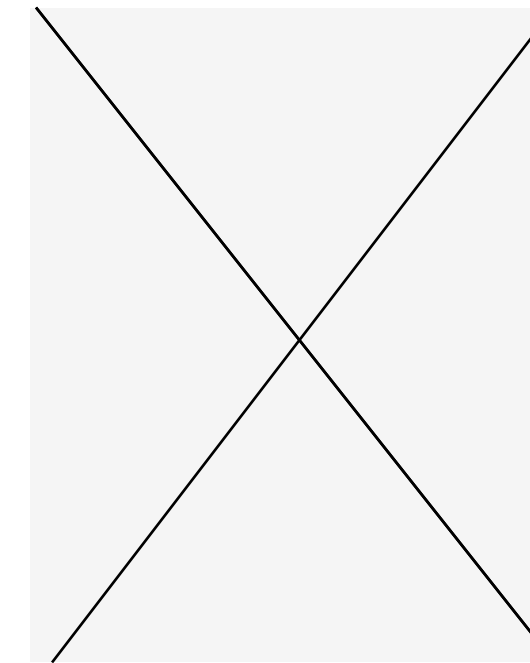

### Universal

With mobiles becoming the defacto device in the hands of every student....
